Eshowe is oldest town of European settlement in Zululand, Kwa-Zulu Natal. Eshowe's name is said to be inspired by the sound of wind blowing through the more than 4km square of indigenous Dlinza Forest that surrounds Eshowe.

Mr Siphon Ngcobo a member of the Eshowe Taxi Association previously a sub-contractor to Washesha Bus was awarded the contract to provide bus services to the community of Eshowe and outlying areas.

Wayfarer is the best

Increased revenue, increased bottom-line, reduced maintenance costs, better service to the commuters, better reporting to the Department of Transport are some of the reasons Malazi Bus Service awarded eBus Supplies the contract to supply and implement the Wayfarer TGX150 system.

eBus is supportive of government's drive to building a better South Africa.
